Hardware Logic Emulation Systems and Components Thereof; Notice

On April 4, 1996 the presiding administrative law judge issued Order No. 14 in *Certain Hardware Logic Emulation Systems And Components Thereof*, Inv. No. 337-TA-383, making the temporary relief phase of the investigation more complicated, pursuant to Commission rule 210.60. Based on the record to date, and in view of the problems generated in discovery and the complexity of the subject matter, he found that additional time will give the parties a better opportunity to present evidence in a more orderly manner and create a complete record.

The Secretary shall publish this notice in the Federal Register.

Issued: April 4, 1996.

Paul J. Luckern,

Administrative Law Judge.
